# About this Optional Lesson

This short lesson introduces the basics of Generative AI that are required as background for this and other courses in the program. If you are already familiar with GenAI fundamentals feel free to skip ahead to the next lesson. Or, if you require a more in depth training in GenAI we encourage you to complete the following courses:

1. [Generative AI: Introduction and Applications](#) ↗
2. [Generative AI: Prompt Engineering Essentials](#) ↗
3. [Generative AI: Foundation Models and Platforms](#) ↗

**Mark as completed**
